## Process Discovery Version 1.65.0 Release Notes

Review the new fixes available in this release.

Release Date: 28-March-2023

For information related to features and fixes in previous Process Discovery releases, see the PDFs for these releases: [Process Discovery documentation \(release versions\)](#).

 **Note:** Process Discovery Version 1.66.0 will be an internal-only release.

### Fixes

- The **Export PDD as .docx** option only appears for Process Specifications with an associated Process Definition Document (PDD).

**Service Cloud Case ID:** 01942432

- The link to the **Credits** page has been removed. The page was previously accessible, however it did not reliably show the correct data.
